## **WORD HAS GOTTEN OUT ABOUT THE QUALITY OF OUR SERVICES!**

" When students wear Uniforms, it changes the outlook of each student. Uniforms give presentable look to students". This year my daughter joined GAFL. When the staff informed me to buy the uniforms in Lotus shop, initially I was bit worried. But when I visited the shop to buy uniforms n jacket, I observed each staff...Their Honesty, Commitment, Professionalism, Reliability, Communication, Expertise, Attention-to-detail, Consultation, Hard work, and Experience impressed me a lot. So this is the best place to buy readymade uniforms n jacket and the cost is also reasonable. So I wish the whole team of Lotus to continue their good quality work n dedication work in future and wish them good luck.

My kids are studying in Navkis school , We were informed to buy uniforms this year from Lotus, we are very happy with their quality , service and dedication of the team is worth appreciating.. I wish them good luck and request them to continue this always

I wish to place on record my appreciation to Lotus. We were directed by Carmel High School to buy shoes and uniforms for my daughters from Lotus. We found the staff of Lotus to be extremely professional and customer friendly. After we realized that we needed an exchange for a pair of shoes due to size issues, the staff handled it very promptly without any questions and delay. We whole heartedly recommend Lotus for all student needs of uniforms and shoes

A young boy with dark hair, wearing a bright red hoodie and a black backpack with yellow accents, is smiling and looking towards the camera. He is leaning on a metal railing. The background is a blurred outdoor setting, possibly a school entrance. At the top of the image, there is a colorful abstract graphic with streaks of yellow, orange, and green against a black background.
